

Vortex Weather Insurance for Golf

An advanced approach to address the risk of rain

PARAMETRIC RAIN INSURANCE

Affordable and transparent.

AUTOMATED CLAIMS

Claims are automated without burdensome paperwork.

QUICK PAYOUT

If your policy triggers, you'll typically receive your payout in less than two weeks.

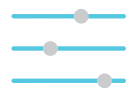

NO WAITING PERIOD

Unlike business interruption coverage, no need for multiple days to pass before it kicks in.

Traditional insurance quoting and adjusting takes too long. Vortex Weather Insurance for Golf is a quick and simple, cost-effective insurance product to help bridge the financial gap left by traditional policies.

HOW DOES IT WORK?

It's simple.

CUSTOMIZE

You select payout limits, rainfall thresholds, and time span to align with your event.

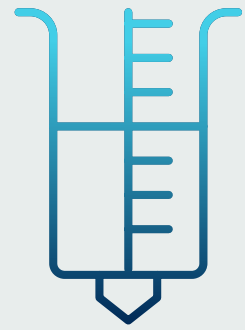

MEASURE

We automatically monitor precipitation data from independent sources specific to your covered location.

PAYOUT

We offer a transparent policy trigger, without adjusters or the hassle.

Government produced, radar-derived **HOURLY** rainfall data provides:

Transparency

Settlement based upon local conditions rather than a distant airport

More cost-effective coverage when only pertinent hours are included
