

THOUGHTS from the FIELD GOLF

See what our customers are saying ...

We worked with Vortex to create a rain insurance policy specifically tailored to our location, date, hours, and rainfall threshold. It was exactly what we wanted. Our NFL Alumni Draft Pro-Am took place on day 1 of the NFL Draft and included 24 former NFL players. We had one day to make it all work, with no rain option. Vortex was the right insurance at a very affordable price. It meant one less thing to worry about."

It was a very simple process. The Vortex Team reached out the day before saying it looked like we'd have a payout. The check arrived and was deposited within five days of the tournament. The best part is that we were able to add to what we planned to donate. I recommend using Vortex to protect the overall costs and potential profits for any event."

We insured our biggest fundraising events, the PGA Championship REACH Pro-Am and PGA REACH Harvick4Heroes Pro-Am, with Vortex. This took the pressure off of the one element we couldn't control—the weather! We look forward to Vortex joining us for the upcoming E-Z-GO Pro-Pro Championship in Pinehurst!"
